NATRUE at VIVANESS 2020

The international natural and organic cosmetics and personal care sector will meet from 12 to 15 February 2020 in Nuremberg for VIVANESS, the International Trade Fair for Natural and Organic Personal Care. NATRUE, the non-profit International Natural and Organic Cosmetics Association and official honorary sponsor of VIVANESS, will co-exhibit on the NATRUE Pavilion with brands and manufacturers of the natural and organic cosmetic sector and will present the latest updates in NATRUE's Standard.

A new concept: the NATRUE Village

Having the NATRUE Pavilion at its center, the NATRUE Village will be a brand-new concept whose objective is to bring NATRUE members, label users and NATRUE Approved Certifiers together to show the common values for high quality, transparency and authenticity that the NATRUE Label represents. As in previous years, the NATRUE Pavilion will host NATRUE's joint stand with label users from various countries, such as Germany, France, Italy and Switzerland. The stands surrounding the NATRUE Pavilion will be those of some of NATRUE's founders, such as Weleda, PRIMAVERA, Laverana and LOGOCOS. Other NATRUE members and label users such as Dr. Bronner's, Fair Squared, Farfalla or Santaverde will also be part of the NATRUE Village.
